

GARY OLSEN DIGITAL PHOTOGRAPHY VIDEOGRAPHY

There are four simple steps to booking your wedding with us...

1. ***Visit our website at www.garyolsen.com/photography and click on the "packages" button.***
2. ***There are several packages fully described on the site with terms for each agreement. Prices run from \$1500 up to \$3,000, and we can customize a specific package for you. Make a list of what you want your professional photography team to shoot, and we'll give you a package price. We can provide you with a wedding website as well as photography and videography.***
3. ***Email or call us with the date of your wedding to make sure we are available. If we are, we will contact you as soon as possible to secure the date.***
4. ***If we can book your wedding, one third of the package price is due at the signing of the services agreement. This locks down your date, your video and photography shot list, and that's all there is to it. All of your video and still photography needs from one source.***
